## **As an Active or Retired CSFA Member, You are Eligible for 10 and 20-Year Group Level Term**

With the California State Firefighters Employee Welfare Benefits Corporation Sponsored 10 or 20-Year Group Level Term Life Insurance plans, your premium stays level for up to 10 or 20 years. The initial premium will not change for the first 10 or 20 years unless the insurance company exercises its right to change premium rates for all insured members covered under the group policy with 60 days advance written notice.

As an active/retired Member of CSFA under age 50, you are eligible to apply for coverage with a 20-Year level premium, and if you are under age 60, you are eligible to apply for coverage with a 10-Year level premium in amounts ranging from \$50,000 to \$1,000,000. Your spouse (under age 50 for 20-Year term or under age 60 for 10-Year term) may apply for coverage in this same plan, in an amount not to exceed 50% of your coverage amount.

***Up to \$1,000,000 in life insurance protection  
(10-Year Level Term)***

## Pay No Premiums If You're Totally Disabled

If you become totally disabled before age 60, you may keep your coverage, subject to policy provisions, without paying premiums. You must be continuously and totally disabled for at least 6 months before premiums will be waived.

### Level Coverage Continuation (5-Year Banded Plan)

Coverage will not reduce during your level term period. For members who are under age 65 at the end of a level term period, coverage will not reduce until age 65. At that time coverage will reduce as follows: to 65% at age 65; to 50% at age 70; to 35% at age 75; to 25% at age 80 and 20% at age 85. If your level term period ends when you are age 65 or above, your coverage will reduce to the level it would per the above reduction schedule for the age you are at the end of the level term period. Coverage will continue as long as you are a member of CSFA, the group master policy remains in force, and premiums are paid when due.

### You can keep this Level Term protection for 10 or 20 Years

At the end of the 10 or 20-Year level term period, evidence of insurability is required to enter another level term period (*subject to the maximum age to begin a level term period*). If evidence of insurability is not provided or not approved by ReliaStar Life, rates

**Up to \$1,000,000 in life insurance protection  
(20-Year Level Term)**

will be based on the Five Year Age Banded Plan for the insured's current age.... still very affordable.

### **Accidental Death and Dismemberment Insurance**

These plans offer optional accidental death coverage to help with the added expenses that often occur with a sudden unexpected accident. If you elect the Accidental Death and Dismemberment (AD&D) insurance option, the plan will pay your beneficiary double the amount of your voluntary Life Insurance should you die in a covered accident. The cost of adding the AD&D coverage is only \$1.25 per month per \$25,000 dollars of coverage (\$500,000 maximum benefit available).

### **All Plans Feature Great Family Security**

#### **Dependent Family Coverage Available**

You can also elect Dependent Family Coverage, providing \$10,000 life insurance protection for your spouse or domestic partner, and all eligible children (*eligible child is defined as your unmarried child from birth to age 21 or to age 25 if a full-time student*). The monthly cost for this protection is \$1.80. You pay this cost regardless of the number of children you have, and regardless of the make-up of your family. (*Your spouse or domestic partner will not be eligible under the Dependent Family Coverage option if covered under his or her own group term life coverage through the California State Firefighters' Employee Welfare Benefits Association - sponsored plan.*)

***Protect Your Family***
